Terms

The CSA season runs for 20 weeks beginning in June, 2012 and ending in second week in October, 2012, unless the extended season is applied (to November).

Pick-up will be every Wednesday from 3pm to 7pm. Home delivery also available.

Each week all crops that are ready for harvest will be included. Successive planting insures extended harvest times.

Farm visits are encouraged (except for Sundays please). A call in advance is appreciated.
